Dear Peter,

I am writing to inform you of action taken at the April 1st meeting of the Academic Programs Committee regarding the proposal for a Master of Fine Arts in Experimental and Documentary Arts. The committee voted unanimously to approve the new program as described in the proposal documents. The committee was impressed by the careful, thorough development of the proposal and by the innovative nature of the degree. It should be a major addition to the artistic intellectual community here at Duke.

Thank you for the opportunity to participate in the review process.

Sincerely,

Lynn Smith-Lovin  
Robert L. Wilson Professor of Sociology
